Love of mine some day you will die
But I'll be close behind. I'll follow you into the dark,
No blinding light or tunnels to gates of white
Just our hands clasped so tight, waiting for the hint of a spark.

If Heaven and Hell decide that they both are satisfied
Illuminate the 'no's on their vacancy signs
If there's no one beside you when your soul embarks
Then I'll follow you into the dark

In Catholic school as vicious as Roman rule
I got my knuckles bruised by a lady in black
And I held my tongue as she told me
"Son, fear is the heart of love." So I never went back

[Chorus]

You and me have seen everything to see
From Bangkok to Calgary, and the soles of your shoes
Are all worn down. The time for sleep is now.
It's nothing to cry about, 'cause we'll hold each other soon
In the blackest of rooms

[Chorus]

...and I'll follow you into the dark.
